Finding Books with Google Scholar

1. Go to the **Trident University Portal** page and click on **Additional Library Resources**.

2. Scroll down the **Online Library** page to find **Google Scholar**, and then click the link.

research. PQDT includes nearly 3 million searchable citations to dissertation and theses from around the world from 1743 to the present day together with over 1 million full-text dissertations that are available for download in PDF format. The database offers full text for most of the dissertations added since 1997.

[ScienceDirect](#)

ScienceDirect is a full-text scientific database offering journal articles and book chapters from more than 2,500 peer-reviewed journals and more than 11,000 books. There are currently more than 11 million articles/chapters. Updated continuously.

[ERIC \(EBSCO\)](#)

ERIC - the Education Resources Information Center - is an online digital library of education research and information. ERIC is sponsored by the [Institute of Education Sciences \(IES\)](#) of the [U.S. Department of Education](#). ERIC provides access to education literature to support the use of educational research and information to improve practice in learning, teaching, educational decision-making, and research. Contains journal articles, books, conference papers, technical reports, policy papers and more. Updated weekly.

[SAGE Research Methods](#)

SAGE Research Methods provides access to a wide range of research methods, including dictionaries, encyclopedias, and handbooks, the entire "Little Green Book," and "Little Blue Book" series, two Major Reference Works, and a collection of journal articles, and specially commissioned videos. As SAGE Research Methods focuses on methodology rather than disciplines, it can be used across the social sciences, health sciences, and more. Users can explore ways to help them design research projects, understand particular methods or identify a new method, conduct their research, and write up their findings.

[Google Scholar](#)

Google Scholar provides [citations](#) to millions of scholarly articles, books and other materials. It also will give you a link to the full text of a source if it is available at Trident (look for the **Find @ Trident** link). One of the best things about Google Scholar is its ability to show [cited references](#) for articles; a big plus when doing advanced research.

3. Copy the reference from your course...

connectivity. *MIS Quarterly Executive*, 11(4), 159-173. Available in the Trident Online Library.

Finding Articles in “Additional Library Resources”

As an example, let’s look at how to find the following article from *MIS Quarterly Executive*:
Blohm, I., Leimeister, J. M., & Krcmar, H. (2013). Crowdsourcing: How to benefit from (too) many great ideas. *MIS Quarterly Executive*, 12(4), 199-211. Available in the Trident Online Library.

1. Go to the **Trident University Portal** page and click on **Additional Library Resources**.

The screenshot displays the Trident University Portal interface, divided into four main sections:

- Online Classroom & Library:** Contains 'CLASSROOM ACCESS' with a link to 'My TLC Courses (Assignment Due Dates)'. Below is 'LIBRARY ACCESS' with a search bar and a highlighted 'Additional Library Resources' button. A red callout bubble points to this button with the text 'Click Additional Library Resources'.
- MyTLC News:** Features a banner for a 'FIRST DAY OF CLASS WEBINAR' presented by Dr. Mark Pieffer on July 10th from 11:00 AM to 12:00 PM PST.
- Tools & Links:** A grid of icons for services such as University Email, Academic Calendar, University Catalogs, Graduation Calculator, Career Beam, Email Forwarding, Helpdesk Ticket, Print Degree Plan, Student Support, Student Balance, Trident 4Careers, and Refer A Friend.
- My Support Center:** Lists contact information for a Student Success Advisor (StudentSuccess@trident.edu, 866) 227-7152) and a Student Finance Advisor (StudentFinance@trident.edu, (866) 680-8929).

2. On the ensuing (**Online Library**) page, click on **Business Source Complete (EBSCO)**.
(Note: Your article may appear in the EBSCO collection or in another listed collection.)

[book] **Data governance: How to design, deploy, and sustain an effective data governance program**

J Ladley - 2012 - books.google.com

This book is for any manager or team leader that has the great responsibility of managing a data governance program. The problem of managing data continues to grow as the volume of data surrounding cost of storage, exponential growth, as well as security concerns-the solution to being able to scale all of these concerns is a data governance which provides better services to users and saves money. What you will find ...

Finding a Book in the Trident Online Library

Method 2

Let's search the library for the following book:

Peltier-Davis, C. A., & King, D. L. (2015). *The cybrarian's web 2: An A-Z guide to free social media tools, apps, and other resources*. Medford, NJ: Information Today, Inc. Available in the Trident Online Library.

5. Copy and paste the title (and ONLY the title) into the search box on the Trident University Portal page.

Read Chapter 1-61 in:

Peltier-Davis, C. A., & King, D. L. (2015). *The Cybrarian's Web 2: An A-Z guide to free social media tools, apps, and other resources*. Medford, NJ: Information Today, Inc. Available in the Trident Online Library.

Copy only the title.

The screenshot shows the library's search page. At the top, there are icons for various media types: a question mark, a video camera, a PDF document, and a newspaper. Below these is the text "LIBRARY ACCESS ?" and "Find Books and Journal / Magazine / Newspaper article". A search box contains the text "le to free social media tools, apps, and other resources". To the right of the search box is a yellow "Search" button. Below the search box is a link for "Additional Library Resources". Two red callout boxes provide instructions: one points to the search box with the text "Paste only the title.", and another points to the "Search" button with the text "Click the search button."

Paste only the title.

Click the search button.

6. The search will show several similar results. Locate the one with the author from your references and click **eBook: Full Text Online**.

The screenshot shows three search results. The first result is highlighted with an orange box around the author's name and the 'eBook: Full Text Online' link. A red callout bubble points to the author's name with the text 'This is your author, so click this link.' The second result is for the same title by Wiley, Deborah Lynne, and the third result is for the same title by ProtoView.
